ABOUT US

OneWorld Baroda Public School Campus is a vibrant center of learning guided by the vision of the **Kanaiyalal J. Mehta Educational & Medical Trust**. Built on the values of creativity, character, and academic excellence, the school provides a nurturing environment where young minds grow with confidence and curiosity.

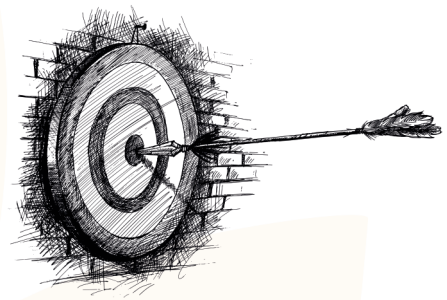

Set in a serene and eco-friendly campus, our child-friendly infrastructure and open spaces encourage students to explore, learn, and express themselves freely. Here, learning goes beyond textbooks, blending knowledge with creativity and real-life experiences.

We believe every child is unique, and our approach focuses on holistic development — nurturing emotional strength, physical well-being, and intellectual growth.

At OneWorld Baroda Public School Campus, education is not only about exams, but about building character, discovering potential, and preparing students to become confident global citizens.

OUR MISSION

- To nurture a borderless global outlook among young minds while building self-knowledge, confidence, and character.
- We integrate moral values, ethics, and global vision with academics to ensure holistic development.
- Every child is encouraged to discover their inner strengths, interests, and talents, and is guided to achieve their dreams, goals, and future career path.

CORE PHILOSOPHY

- We follow a Techno-Culture Education System, balancing modern technology with traditional and multicultural learning.
- From Junior to Upper Primary, the focus is on attitude building and strong character development.
- We nurture creative and active minds, supporting the spiritual, moral, intellectual, social, emotional, and physical growth of every child.
- We believe every child is unique, and provide a positive yet challenging environment to help students achieve their personal best.
- Educators, parents, and the community work together to develop lifelong learners, responsible citizens, and future leaders.
- Students are encouraged to become thoughtful individuals with strong values, global perspective, and self-discipline, not just mark scorers.

Child Safety Initiatives

At OneWorld School – Primary Section, child safety and hygiene are our highest priorities. All repair, renovation, or maintenance work on the school premises is carried out only after school hours or during vacation to ensure complete safety for students.

Health & Hygiene Initiatives

- The entire campus is cleaned and disinfected daily, including classrooms, library areas, furniture, and railings.
- A well-stocked First Aid Box is available, with access to a nearby doctor for emergencies.
- Water tanks are cleaned quarterly, and classrooms receive regular cleaning and maintenance.
- Mosquito repellents are sprayed daily after school hours.
- Bathrooms are cleaned regularly to maintain hygiene.
- Special care is taken for students with dietary restrictions or medical allergies.
- Children are encouraged to wash hands with pH-balanced liquid soap before and after snacks.

General Safety Initiatives

- The school campus is under 24/7 CCTV surveillance.
- Fire safety systems are installed and staff are trained to use them.
- High-quality electrical wiring with MCB protection ensures safety.
- Students are handed over only to authorized parents or transport staff with verification.
- Teachers and staff ensure safe dispersal of every child.
- Students are advised not to wear jewellery or unsafe accessories during school activities.

Easy

School-Bus Transport - Bhayli, Sevasi, New Alkapuri, Gorwa, Subhanpura, Race Course & other areas
